AMERICAN ASSOCIATION FOR THE ADVANCEMENT OF SCIENCE  
1515 MASSACHUSETTS AVENUE, NW, WASHINGTON 5, D.C. • DUPONT 7-7171

10 February

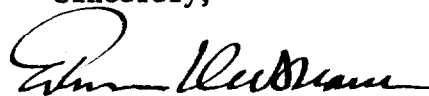

Professor Joshua Lederberg  
Department of Genetics  
Stanford University Medical Center  
Palo Alto, California

Dear Joshua:

In reply to your letter of January 23, I should say that Dr. Anders' manuscript on "The Moon as a Collector of Biological Material" has not yet gone to the printer. Consequently, I still have an opportunity to get his reaction to your comments before we commit ourselves any further.

With best regards,

Sincerely,

Graham DuShane  
Editor
